Total annual dues: _____

Make check payable to: Cedar Amateur Astronomers.

Family membership brings the benefits of membership to all members of your immediate family. Family members:

Return to: John Centala, 701 Heather Ct. Marion, Iowa 52302

Thank you for joining the Cedar Amateur Astronomers. This society is your society. Each member is encouraged to enjoy the assets found in membership, including the CAA newsletter The Prime Focus, the society's website, the observatory facilities and – not the least – other members who enrich each other by sharing skills, experience, and their equipment.

Additionally, CAA members are entitled to the use of the facilities at [Palisades-Dows Preserve](http://www.cedar-astronomers.org/paldows.htm) (<http://www.cedar-astronomers.org/paldows.htm>). It's a great opportunity to visit with other society members in an informal setting, get checked-out on the use of society instruments and equipment or simply enjoy the beauty of the night sky with other enthusiasts.

To complete this form, please select your preferred membership type. Your membership in the CAA includes membership in the Astronomical League, a national association of astronomical associations; discounts on subscriptions to Sky & Telescope and Astronomy magazines; and book discounts. Select any or all special rate periodicals or you may subscribe at a later date. Note that your membership includes free electronic delivery via e-mail of The Prime Focus newsletter in PDF format. For an additional fee, you can have The Prime Focus delivered by carrier mail. After completing your choices, sum the amounts of your selections to determine your annual dues.

Please make your check payable to Cedar Amateur Astronomers. We are a 501(c)3 non-profit organization. Additional donations to the club are fully tax deductible. You may mail your payment to John Centala, 701 Heather Ct. Marion, Iowa 52302 or, as many members do, bring your payment to our society monthly meeting. See our Web Site for current place and time.
